Boost the Carnival, likewise the artesian well. Camden needs 'em both.

Nine of the twelve districts in Decatur County held no election Saturday. The other three districts polled 98 votes.

By a vote of 23 to 6, which was afterward made unanimous, says the Nashville Banner, the Republican State Executive Committee shortly before 2 o'clock Tuesday afternoon adopted the resolution of Judge McHenderson of Sevier County, declaring that the Republicans put out no Judicial ticket in August, and recommending to the Republican voters the independent ticket already out.

What wonders a few fleeting years bring to us! When Halley's comet last blazed in our sky Africa was an unknown continent, Asia the land of mystery, Japan a hermit nation. There was no German Empire, no kingdom of Italy. Texas and California were Old Mexico domains. There wasn't a mile of railway in all Europe. The world had not heard the name of Morse. And when the age of Halley's comet comes again the most of us will be forgotten. That's the tragedy of progress.

Good news comes from the legislative contests Saturday. Four anti-administration candidates were nominated in the primary by such majorities as to give a foretaste of the result in August and November. Fred Caldwell, candidate for Senator from Obion, Weakley and Lake, was nominated by a majority of 2,300. For floater from Dyer, Obion and Lake, Sam E. Howard received a majority of 1,375, carrying every county by good majorities. For Representative in Weakley, W. F. Harper was nominated by a majority of 800, and E. N. Moore was nominated for Representative in Obion by a handsome majority.

ADDITIONAL RULES

And Officers Named for Floterial Primary Election.

Whereas, this committee is unwilling to ignore Democratic demands for fairness and is desirous of contributing all in its power to maintain harmony in the Democratic party in Benton County, and realizing that the best manner of securing the will of a majority of the Democratic voters in the primary election to be held Saturday, July 2, 1910, for the selection of a Democratic nominee for Floterial Representative, is at the ballot box, the following additional rules to govern the primary have been adopted:

1. All white voters must be qualified to vote in State and county elections, except that they shall not be required to produce poll tax receipts.

2. All white Democrats under 21 years of age at the date of holding said primary election, but who shall attain their majority by the regular election in November, 1910, will be entitled to vote.

3. It is the sense of this committee that none other than regular Democrats be allowed a voice in said primary, and the officers and judges in their respective districts are authorized and empowered to refuse the ballot to any others than they know to be such.

4. No voter will be allowed to cast his ballot in any other than his own precinct, except candidates or rural mail carriers who may be in other districts on date of election.

The following officers, judges and clerks are hereby appointed to hold said primary election:

COUNTY LINE.

CONTINUED FROM FIRST PAGE.

Tree. On Friday a mad dog bit two dogs in Sugar Tree. As the dog was going in the direction of McIlwain, word was telephoned along the line. Two more dogs were bitten before it was finally killed near the Dr. Dickey place in the afternoon. Everyone should keep a watch on their dogs, or, better still, chain them up until all

danger is passed. When the first symptoms of madness develops kill the dog at once.

We can well afford to dispose of a lot of worthless curs anyhow and replace them with pigs. A dog will eat more than two pigs, and a pig will soon be a hog; hogs and sheep are more profitable than dogs. If there were more hogs there would be less complaint of the high price of bacon.

Have you ever made any figures as to the worth it would be to the country if one-half of the dogs were killed and replaced with the same number of hogs? Try it and you will be astonished. With such a condition the price of bacon would soon come down, provided you kept the hogs at home instead of send them North to be fattened and sold back to you at a fancy margin that helps to swell their bank account.

In traveling over our county you will find from two to a half dozen old lazy, worthless hounds lying around at nearly every home, and on inquiry you will often find that the owner of the dogs does not own a hog! Now wouldn't six nice, fat hogs be less expense, to say nothing of their marketable value and use to the family, as compared with the six dogs, who eat their heads off every month? CITIZEN.

JUNE 19 to 26

ONLY ONE WEEK NOW

till the SOUTH'S GREATEST and MOST UNUSUAL SHOW and its ONLY MILITARY EVENT, which is the U. S. REGULAR ARMY TOURNAMENT, that will be held in NASHVILLE, TENN., on the great STATE FAIR GROUNDS, for eight days, JUNE 19th to 26th.

2,000 U. S. Army Troops

will participate in this Monster Military Event—Infantry—Cavalry—Artillery—Engineer Corps—Hospital Corps and Signal Corps—all the Fighting, Aiding and Rescuing branches of our Nation's Army camped on a beautiful plain of 150 acres. Think of these 2,000 MEN, nearly 1,000 HORSES—every man and horse a TRAINED EXPERT—all in ACTUAL BATTLE MANEUVERS at one and the same time, and all made intensely realistic by the accompaniment of CANNONS ROARING, Cavalry CHARGING—Infantry FIRING and Rescuing by Hospital Men. IT'S WONDERFUL—all yours to see at the TOURNAMENT, which may NEVER be repeated in this section of the United States.

DAY and NIGHT PERFORMANCES

In addition to an extensive program for EACH DAY, special entertainment of the most novel kind and character has been planned for EVERY NIGHT. Thousands of electric lights will be used on the grounds at night, and the most brilliant spectacle of a Military Nature will thrill the THOUSANDS ATTENDING. Other SENSATIONAL FEATURES are ROMAN RACES by Mounted Troops—HURDLE JUMPING by Single Horsemen—PYRAMID RIDING by Trained Groups—RUSH BRIDGE BUILDING by Engineer Corps—BATTLE MESSAGES by WIRELESS TELEGRAPHY and SIGNALING by HELIOGRAPHS.

Airship Flights Daily

Probably the most spectacular of all attractions will be the AIRSHIP FLIGHTS, which are a part of the daily program, and will be made by the machine which won the Ten Thousand Dollar long distance prize record. This Airship will race with an Automobile—fire from the air at Army on the ground and INVITE VISITORS TO TAKE A FLIGHT.
